Order Instituting Rulemaking (OIR) 02-02-020 initiated a proceeding to establish both an acceptable error rate and the nature of record-keeping procedures applicable to telemarketers who use automatic dialing devices.

Parties were to notify the Process Office if they wished to be added to the service list. Opening comments are due on March 14, 2002, and reply comments are due on March 25, 2002. A proposed decision is to be circulated on or before May 6, 2002.

This ruling establishes that the service list for this proceeding will be that formed by the Process Office and published on the Commission's Internet site at www.cpuc.ca.gov. (Go to Official Documents/Service Lists/R.02-02-020.) If parties are not already on the service list, they will be added to the service list automatically after their comments are received.

Parties are directed to mail copies of their comments to all parties on the service list as it appears on the date of mailing.

IT IS RULED that the service list for this proceeding will be the one published on the Commission's Internet site.
